New Business

Nothing has been done with website. I do have password for website and gmail account. Going to try and make Business meetings and Reports more clearer to use. I was told people didn't like the way it was. This will be an on going process. As far as phonline, I don't have any information on that, I don't even know who is on the phonline. I am going to use other areas phonline guidlines as a template and generate NCSPANAs phonline guidlines to be presented during the Learning Day. Don't have meeting schedules or template to make changes
